## CREWE GOLF CLUB

### History Of The Club, The Course & The Clubhouse

History takes us back to 1910 to find the beginnings of Crewe Golf Club whence a group of people, of whom Dr. E.C. Bailey was elected Chairman, met at the Euston Coffee Tavern in Earle Street, Crewe, to discuss the proposition that a golf Club be formed.

Having examined the possibilities of several areas of land it was decided that the most suitable was that at Mr. Booth's Fields Farm, Haslington. The proposition was:

- Rent £4 per annum
- Fairways to be mown 60 yards wide beginning 100 yards from the tee
- Greens to be made and fenced and be not more than 25 sq yards in area
- Bunkers to be allowed provided they did not interfere with cattle grazing
- A Club house and tool shed to be allowed
- Grazing rights for one horse
- No dogs and no play on Sundays

In January 1911 a general meeting was called and the proposal was accepted and thereby the preparation of the Club and its formation began to take place.

Thus it was that Crewe Golf Club was officially opened via our first 'Captain's Drive In' on Saturday May 13<sup>th</sup> 1911.

The course has developed quite significantly since 1911, and continues to do so into the future, and now provides an extremely picturesque, wooded, undulating and challenging yet pleasant test to golfers of all standards measuring 6,169 yards from the yellow tees.

Our Clubhouse, the original of which was completely destroyed in a fire in 1969, provides a relaxed venue for any post golf trauma to be attended to. Our friendly staff and a wide selection of food and drink ensure enjoyment even when the delights of the golf course are over.
